**Comments:**

THIS IS A STRETCH OF YOUR 5.11 SKINNY. I HAVE DROPPED THE RAIL A TAD , NARROWED THE PLAN A TAD AND ADDED A LITTLE MORE ROCKER FOR THE EXTRA POWER YOU WILL FACE IN INDO THE LITTLE EXIT VEE IN THE TAIL HAS BEEN MADE A LITTLE LONGER AND DEEPER TO ADD FOR A LITTLE MORE CONTROL AT THOSE HIGHER SPEEDS. ALSO YOUR BOARD WILL BE GLASSED AS A DOUBLE DIAGONAL AGAIN WITH THE POWER OF INDO IN MIND
